Parkside Victoria Resort & Spa – Vancouver Island’s Most Sustainable Vacation Homes

Posted on November 11, 2009 ↻ 9:38 pm

BC Vacation Homes in Victoria on Beautiful Vancouver Island

Parkside Victoria Resort & Spa has completed construction and is opened to the public for one and two bedroom suite rentals. Parkside is targeting LEED® Platinum Certification and it is leading Canada in innovative sustainable resort hotel development and design. Parkside offers vacation home purchases in the form of whole ownership or by purchasing one quarter or one eighth of a one or two bedroom unit. Prices start at \$ 79,900. Owners can also trade some of their vacation time on other international resorts.

Guests and owners can enjoy a private and peaceful home away from home in beautiful Victoria on Vancouver Island, BC. Featuring the exclusive penthouse City Club Lounge, outdoor rooftop patio and gardens, 25-metre indoor ozonated pool and hot tub, meeting and event space, private movie theatre, fitness centre and a 24-hour concierge, Parkside Victoria Resort & Spa offers an innovative, luxury lifestyle experience in one of Victoria’s most desirable neighborhoods. Parkside also offers a customized program for snowbirds who only want to live in Victoria for the winter months. Programs packages are available starting at three weeks. The grand opening is expected to be held in the spring of 2010. Website: www.parksidelifestyle.com
